FIG. 11

FIG. 1 is a schematic diagram of a mechanical assembly, likely a door or panel, showing internal components and structural elements. The diagram includes labels 372, 374'', 382, 384, 384', 342X, CG', 330, and 344Y. A dashed line indicates a horizontal centerline or axis of symmetry.

Diagram illustrating a mechanical assembly, likely a component of a vehicle's suspension or steering system. The assembly consists of a long horizontal bar or shaft, supported by a central pivot point. A label **342X** points to a dashed line indicating a specific feature or adjustment point on the right side of the assembly.
